JOURNAL

OFFICE OF LEGISLATIVE COUNSEL

Friday - 27 January 1961

25X1 1. [] Met with Representative Dante B. Fascell (D., Fla.) concerning his letter to the Director of 14 January. He had enclosed a letter to him from [] requesting a meeting be arranged with Mr. Dulles. After discussion with WH Division, it was agreed an oral discussion with Fascell would be more appropriate since []

25X1 [] I explained this to Fascell and the general problem of the Cuban refugee groups trying to see various people with which he was completely familiar and in fact indicated that he tended to stay aloof from these various groups. I indicated we certainly would, through our contacts, advise [] that his request to Fascell had come to our attention and that Fascell planned to take no further specific action. Mr. Fascell seemed most satisfied to resolve the matter in this fashion. In a not unpleasant way, he deplored the considerable talk and references to CIA support [] and other activities, specifically mentioning [] I indicated we too would desire otherwise but we still believe there is no way of documenting these charges and statements.

25X1 2. [] Met with Myer Feldman at the White House to discuss Agency congressional appearances. See Memorandum for the Record.

25X1 3. [] Talked to Harry McAdams in the office of Representative Paul J. Kilday (D., Tex.) concerning the possible employment of [] who was referred personally by Mr. Kilday. I advised McAdams that while [] had excellent qualifications and looked like fine material, there simply were no openings at this time needing his qualifications and meeting his general grade requirements. I asked McAdams to please pass this to Mr. Kilday, making it clear that we had canvassed thoroughly in an effort to assist.
